Good evening Yves,

~

I have just been contacted by PSS. They are requesting that additional barricades or gates be placed at the intersection of Kent/Wellington. Please see the attached picture for clarification (blue line).

Good evening,

I would like to confirm before communicating with OPS. What intersection will the barricades be coming from?

Hi Jesse,

The delivery truck for the barricades should arrive around 11pm. Might be bit challenging for the crew to reach the site but we aim for 11pm.

The crew will confirm to me when it's completed and will also have a few pictures for records.

See attached plan for reference.

Thank you.
